DOES IT BOTHER YOU THAT JESUS NEVER SHOWED UP IN THE RECORD BOOKS?

6 IRREFUTABLE PROOFS THAT THE SON OF GOD NEVER EXISTED (AND THE CHURCH KNOWS IT)

https://www.youtube.com/watch?v=8jEPIwjsO30

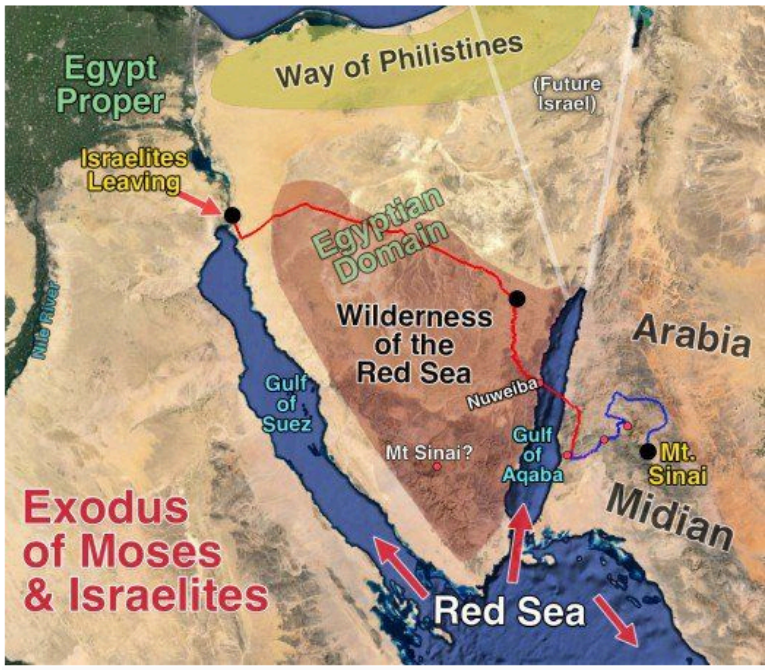
"What if the “Son of God” was never real—and the Church has always known it? In this video, we reveal 6 irrefutable proofs that dismantle the idea of a divine Jesus and expose how this powerful figure was manufactured through myth, politics, and theology. From missing historical records to borrowed legends and internal biblical contradictions, the truth is undeniable. These are the facts the Church cannot explain—and refuses to face. Watch until the end and subscribe for more fearless investigations that challenge the very core of religious belief."

When learned scholarly religious men from history and today discover that the Jesus of the Bible never existed they leave the religious world for other venues. They drift into following other breadcrumb trails such as Gnosticism and other philosophies to divert from the teachings of Jesus or to offer a different religious or spiritual path to enlightenment. I don't. I simply realize that we have been lied to by what is known as the BEAST ANTICHRIST SYSTEM, which is the JROCCC and DIG DEEPER.

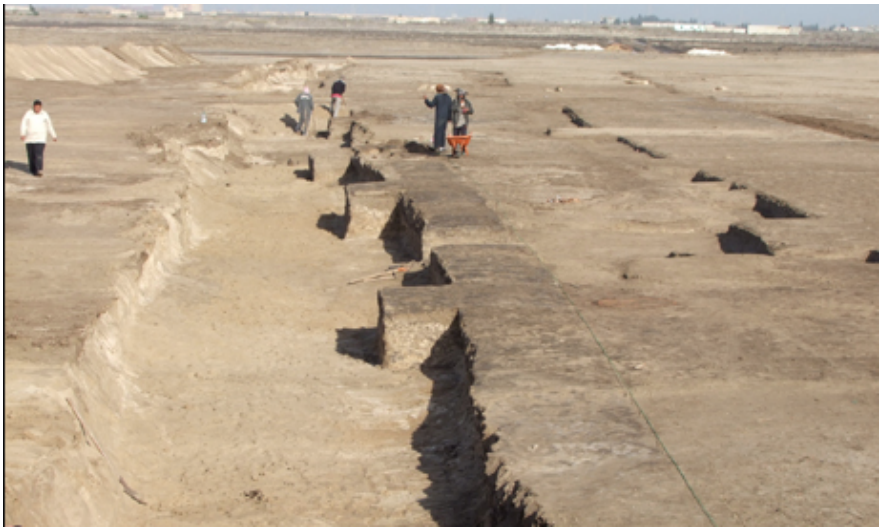
HERE'S THE PROBLEM FOR THE NAY SAYERS

Christians have been taught or told to believe that the Bible is the Inspired Word of God and to accept it by faith not by proof. We are told if we don't believe what is in the Bible we are a back slider or worse that we are going to hell. Yet when you do start to look into what is in the Bible from a historical view point you are shocked because there are NO records of Jesus' physical existence on earth. Why did Rome kept records on everyone else yet their are no physical or historical records for Jesus the Nazarene from Galilee in history?

LIES ABOUT THE MASS MIGRATIONS OF JEWS AND HEBREWS OUT OF EGYPT



Wherever the Hyksos, who were expelled rulers in Egypt, crossed over from Egypt to the land of Israel it was not the Red Sea as the Jewish stories in the Old Testament claim



This is a sort of Birds Eye view of the possible travel routes the tribes traveling from Egypt to Israel may have used

Sea of Reeds

We will just leave the fictitious Moses sitting up on the mountain reading the 10 Commandments that did not come from Yahweh

Ildabaoth the Demiurge YHWH. Instead, we find that these rules to live by actually originated from the Egyptian Book of the Dead. We have been taught so many lies by the JROCCC.

Not only that, the stories we find in the Old Testament are not historically accurate either. When you look for a REAL HISTORICAL Moses you will discover that he did not actually exist either and their was no mass migration of the Jews and Hebrew tribes from Egypt to the Promise. Instead, what we do have is a migration of the Hyksos Canaanites who were defeated leaders of Egypt that were forced to leave Egypt once the new regime moved in. They did not cross the Red Sea they crossed the Sea of Reeds (marshland) instead. After the Hyksos were expelled from Egypt, Manetho reports that they wandered the desert before establishing themselves in Canaan and then eventually moved into the city of Jerusalem after the original

Apiru, Nazarene, Naphtali Scandinavian tribes were taken into captivity in 722 BC. Philo a Jewish writer and philosopher of Alexandria never wrote about Jesus either. My comment is that Jesus to the Jews is the ENEMY, he was never their messiah so they continuously try to deny his spiritual existence as well .

Seneca the Younger who was a philosopher, statesmen, dramatist and Satanist from Post Augustan age of Latin literature in Ancient Rome never wrote about moral teachings of Jesus either. Pliny the elder never mentioned Jesus and he documented the natural and unnatural wonders of the world back then.

There is no gravesite for Jesus, no DNA, there are no descendents of Jesus. My comment is that this is true and their wouldn't be because Jesus was a spiritual being not a human being.

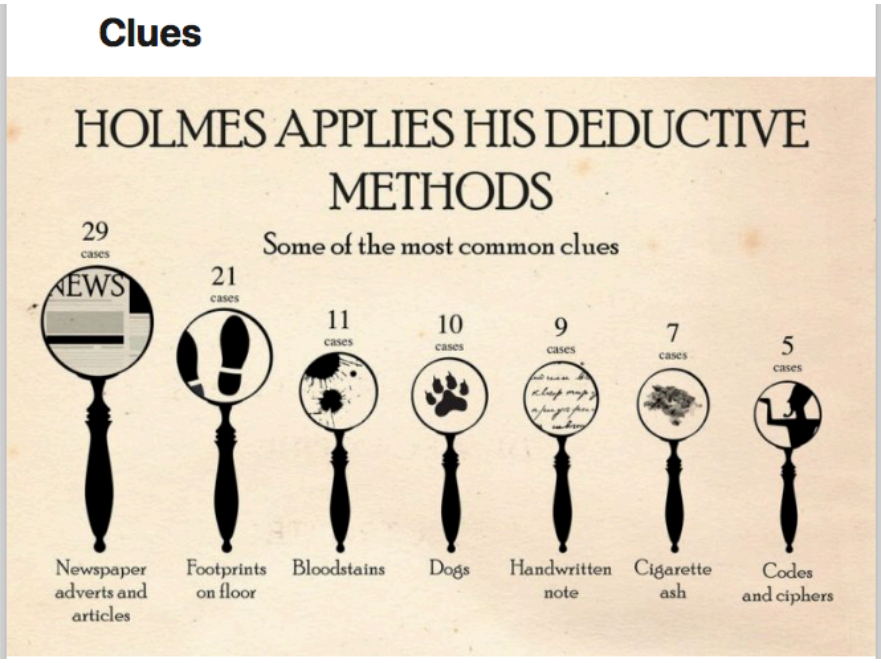
The ghostwriters Matthew, Mark, Luke and John told different stories of Jesus that do not match or align with each other and their writings were fragmented. The Gospels themselves had not been written for decades after Jesus left the earth. These are STORIES but they are not considered historical records. The JROCCC does not want us to confront the differences that are in the text instead they tell their faithful Christians to TRUST THE DATA, to trust and have faith instead of DIGGING FOR THE TRUTH and not to focus on the continual Biblical Inconsistencies. The JROCCC says **do not ask questions just go eat your cookies and milk. I found when I did that that my cookies had been stolen and my milk was sour. I happen to believe bits and pieces of the data and in 1 John and in what the Apostle Paul may have actually taught. But again we are not going to know that for sure because the ORIGINALS WERE DESTROYED.**



I happen to believe in what we think Paul probably wrote all thought his writings were LATER contaminated with the storyline of the Talmud Immanuel, Jammunel, Immanuels birth and death

after the fact. The Apostle Paul did not think of Jesus as a physical man who was born of a virgin lived in Nazareth, or walked the earth, he thought of Jesus as a spiritual being who appeared on earth but was not a physical human being like we are. The Apostle Paul's letters were written long before the Ghostwriters wrote the Gospels. The Apostle Paul's letters took up almost half of the New Testament.

This further tells us that the ORIGINAL CHRISTIANS BELIEVED IN A SPIRITUAL JESUS NOT A PHYSICAL JESUS. Marcion the founder of the ORIGINAL CHRISTIAN MOVEMENT, published Paul's ORIGINAL LETTERS AS THE ORIGINAL CHRISTIAN BIBLE that had not been doctored by the later JROCCC movement. The official Roman Canon was not canonized until 324 AD, hundreds of years after Jesus had appeared to the Apostle Paul and almost 300 years after Paul wrote his letters aka books.

The Roman Canon wasn't "published" on a single date but evolved, with its essential form fixed by the **7th century**, largely under Pope Gregory the Great all though its roots go back to the 4th-5th centuries and it was later standardized by Pope St. Pius V in the 16th century for the Roman Rite.

IT WAS THE PROPHESIED JEWISH MESSIAH, THE TALMUD IMMANUEL, EMMANUEL, JMMANUEL WHOSE STORY WAS BEING TOLD IN NEW TESTAMENT PRIMARLY NOT THE STORY OF JESUS YASHUA. THE GOSPEL GHOST WRITERS COMBINED THE TWO FIGURES IN THE ROMAN CANON AS ONE PERSON TO PROMOTE MISINFORMATION, DISINFORMATION AND LIES ABOUT JESUS LYASHUA.

Paul argued with the Apostles saying his writings were superior to what the apostles taught. I believe today that the apostles were actually following the Talmud Immanuel, Jmmanuel, Emmanuel who as a prophesied Jewish messiah. **NOT JESUS.**

I also tend to believe in what was said in 1 John. So much of the Bible has been doctored that you have to be a Sherlock Holmes to try to figure out what may or may not be accurate data.

John teaches that true fellowship with Our Heavenly Father is demonstrated through love for God and others, walking in the light of righteousness not by following the Old Testament Jewish, pagan OLD WINE beliefs and doctrines and not in the pagan salvation which came through blood sacrifice. Salvation seems to be based upon believing in Jesus as the SON of OUR HEAVENLY FATHER or his avatar into this world, and having confidence in salvation through our faith in JESUS ONLY. Jesus taught the NEW WINE and told his followers not to put his NEW WINE INTO THEIR OLD WINE SKINS.

Summary of the Book of 1 John

https://www.gotquestions.org/Book-of-1-John.html

"Author: 1, 2, and 3 John have from earliest times been attributed to the apostle John, who also wrote the Gospel of John. The content, style, and vocabulary seem to warrant the conclusion that these three epistles were addressed to the same readers as the Gospel of John. Full article: Who wrote the book of 1 John? Who was the author of 1 John?

Date of Writing: The Book of 1 John was likely written between A.D. 85-95.

Purpose of Writing: The Book of 1 John seems to be a summary

that assumes the readers' knowledge of the gospel as written by John and offers certainty for their faith in Christ. The first epistle indicates that the readers were confronted with the error of gnosticism, which became a more serious problem in the second century. As a philosophy of religion it held that matter is evil and spirit is good. The solution to the tension between these two was knowledge, or gnosis, through which man rose from the mundane to the spiritual. In the gospel message, this led to two false theories concerning the person of Christ, Docetism—regarding the human Jesus as a ghost—and Cerinthianism—making Jesus a dual personality, at times human and at times divine. The key purpose of 1 John is to set boundaries on the content of faith and to give believers assurance of their salvation.

Key Verses:

1 John 1:9, "If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness."

1 John 3:6, "No one who lives in him keeps on sinning. No one who continues to sin has either seen him or known him."

1 John 4:4, "You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world."

1 John 5:13, "I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life."

The key word is "knowledge," with its related words, occurring at least 13 times in the Book of 1 John.

Brief Summary: False spiritual teachers were a big problem in the early church. Because there was not a complete New Testament that believers could refer to, many churches fell prey to pretenders who taught their own ideas and advanced themselves as leaders. John wrote this letter to set the record straight on some important issues, particularly concerning the identity of Jesus Christ.

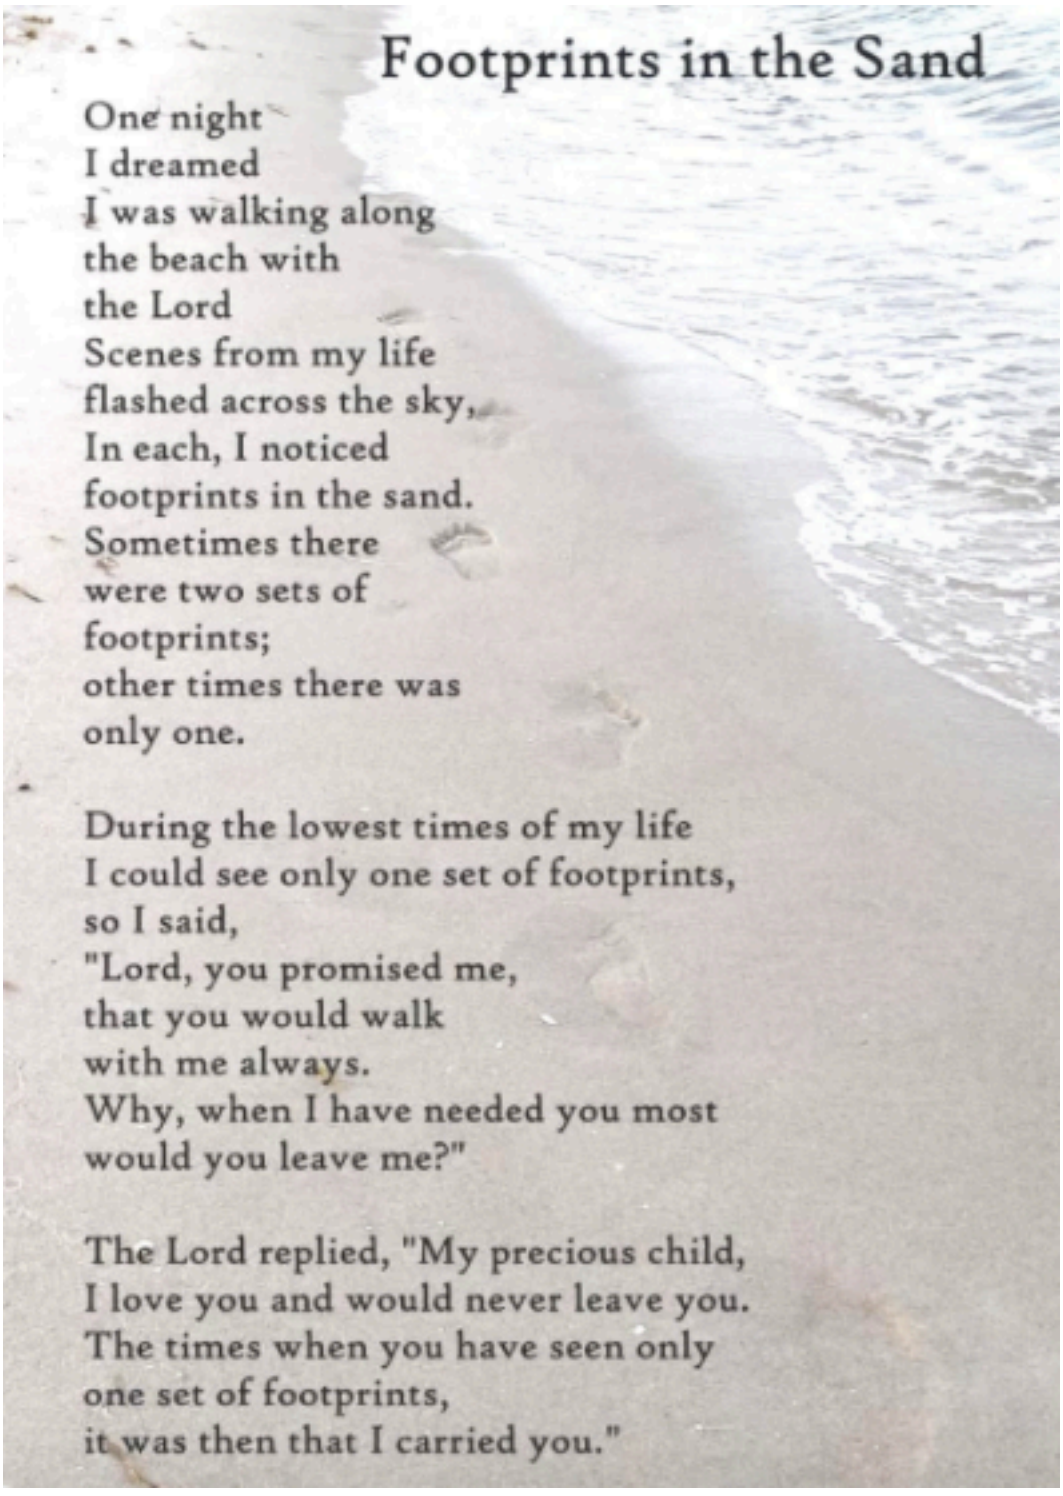
Because John's letter was about the basics of faith in Christ, it helped his readers reflect honestly on their faith. It helped them answer the question, Are we true believers? John told them that they could tell by looking at their actions. If they loved one another, that was evidence of God's presence in their lives. But if they bickered and fought all the time or were selfish and did not look out for one another, they were betraying that they, in fact, did not know God.

That did not mean they had to be perfect. In fact, John also recognized that believing involved admitting our sins and seeking God's forgiveness. Depending on God for cleansing from guilt, along with admitting our wrongs against others and making amends, was another important part of getting to know God.

Connections: One of the most often-quoted passages regarding sin is found in 1 John 2:16. In this passage, John describes the three aspects of sin that recall the first and most earth-shattering temptations in all of Scripture. The first sin—the disobedience of Eve—was the result of her yielding to the same three temptations as we find in Genesis 3:6: the lust of the flesh ("good for food"); the lust of the eyes ("pleasing to the eye"); and the pride of life ("desirable for gaining wisdom").

Practical Application: The Book of 1 John is a book of love and joy. It explains the fellowship we have with others and with Jesus Christ. It differentiates between happiness, which is temporary and fleeting, and true joy, which 1 John tells us how to achieve. If we take the words written by John and we apply them to our daily lives, the true love, commitment, fellowship, and joy we long for will be ours.

JESUS IS A SPIRITUAL BEING WHO WALKS ALONG SIDE OF US WE JUST CAN'T SEE HIS FOOTPRINTS IN THE SAND



Footprints in the Sand

One night
I dreamed
I was walking along
the beach with
the Lord
Scenes from my life
flashed across the sky,
In each, I noticed
footprints in the sand.
Sometimes there
were two sets of
footprints;
other times there was
only one.

During the lowest times of my life
I could see only one set of footprints,
so I said,
"Lord, you promised me,
that you would walk
with me always.
Why, when I have needed you most
would you leave me?"

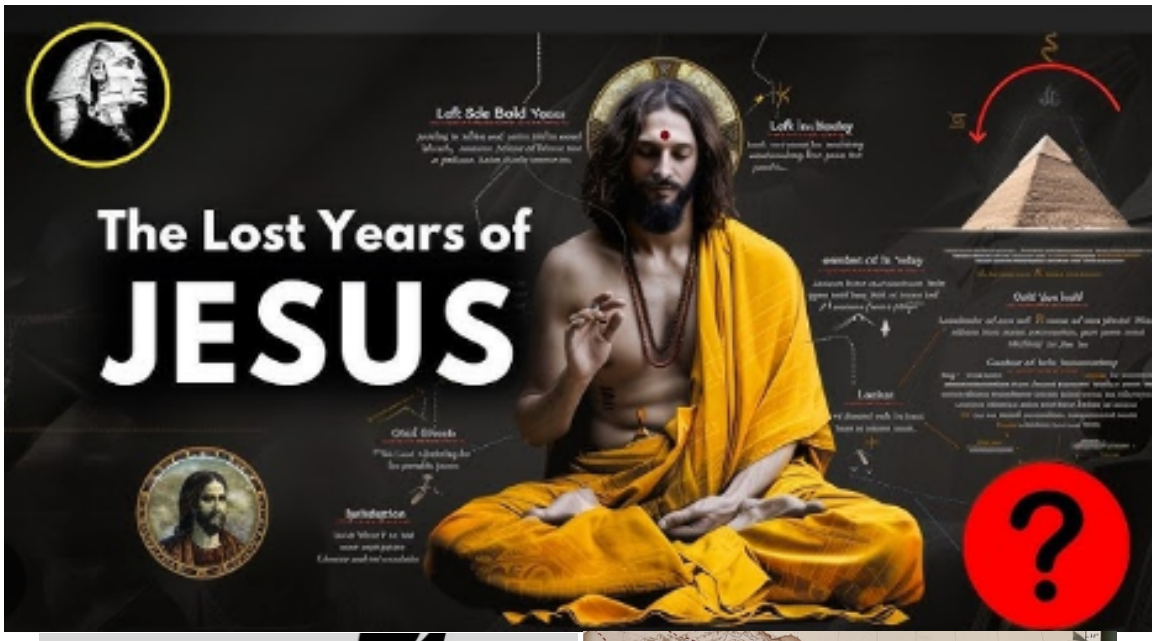
The Lord replied, "My precious child,
I love you and would never leave you.
The times when you have seen only
one set of footprints,
it was then that I carried you."

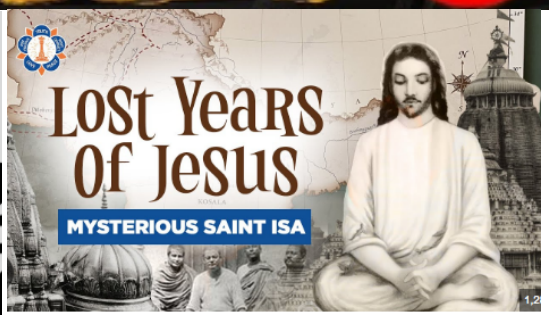
The apostle John knew Christ well. He is telling us that we can all have that close, intimate relationship with Jesus Christ. We have the witness of men who had direct and personal contact with Him. The Gospel writers present their solidly based testimony on a historical reality. Now, how does that apply to our lives? It explains to us that Jesus came here as the Son of God to create a union with us based on His grace, mercy, love, and acceptance. So many times people think Jesus is off in some faraway place and that He doesn't really concern Himself with our daily struggles, issues, and concerns. But John is telling us that Jesus is right here with us in both the simple, mundane parts of our lives and in the complex, soul-wrenching parts as well. John testifies as a witness of his personal experiences that God became flesh and lived among men. That means Christ came here to live with us and He still lives with us. As He walked the earth alongside John, so does He walk through each and every day with us. We need to apply this truth to our lives and live as if Jesus were standing right next to us every second of the day. If we put this truth into practice, Christ will add holiness to our lives, making us more and more like Him."

Now you can spend your time going down that path of discussing all of the JROCCC lies all you want but **I AM MAD**. The fact that the Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) has lied to us tells me they have engaged in a CRIMINAL CONSPIRACY to keep the truth from us WHILE MAKING MONEY HAND OVER FIST in the process from **gullible people who need a crutch to get through their day which is what religion is to them**.

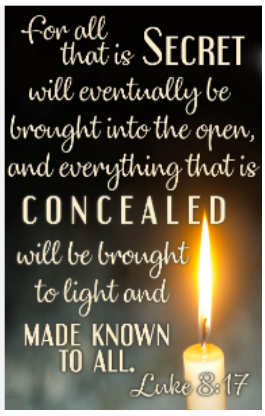
The First Council of Nicaea took place in 325 AD, convened by Roman Emperor Constantine I in the city of Nicaea (modern-day İznik, Turkey) to address Arianism and unify the Christian Church, resulting in the Nicene Creed and established doctrines about Christ's divinity.

As this video and the picture above state, the gospels were not kept because they were accurate they were added to the Roman Bibles because they were useful for their pagan satanic JROCCC narratives. The truth about who Jesus REALLY was became lost at the Council of Nicaea IN 325 AD and the true Christians attending back then to challenge the JROCCC IDEOLOGIES became enemies of the state of Rome. The committee fabricated the identity of Jesus Yashua and in the process appears to have covertly combined Jesus identity with the identity of the Talmud Immanuel. The identity of who Jesus would become under the JROCCC was done by VOTE.

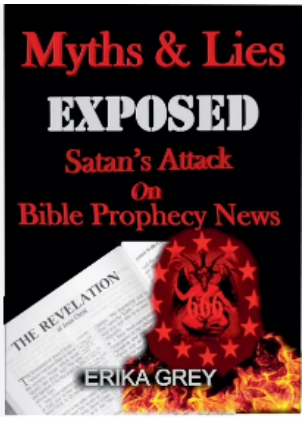




Who is the Talmud Immanuel, Jmmanuel, Immanuel and who is Isa of India. He was the Jewish messiah figure who was born in Bethlehem and who died on the Cross. He apparently went on to become Isa of India and died in India.



For all that is SECRET will eventually be brought into the open, and everything that is CONCEALED will be brought to light and MADE KNOWN TO ALL.
Luke 8:17



As crazy as this all sounds it has legs and people are connecting the dots today just as End of the Ages Prophesy tells us will happen when lies will be revealed and truths will surface.

Horus, Mithras's, the Talmud Immanuel, Jmmanuel, Emmanuel etc., motifs and story lines were identical with the story line of JROCCC'S version of Jesus in the New Testament. Only the names were changed depending on who was telling the story. All these stories are ancient and they existed before Jesus appeared on earth. They all tell of a savior who was born, died and was resurrected. Christians need to realized that the story of a physical Jesus was wrapped in pagan myths and that their salvation was not bought by a blood sacrifice of yet another god figure they would be up in arms.

EASTER IS ABOUT 'JESUS'?
NO, EASTER IS AN ANCIENT PAGAN FESTIVAL OF WORSHIP TO THE VIRGIN-MOTHER GODDESS SEMIRAMIS/ISHTAR WHO IS SAID TO HAVE COME TO EARTH IN A 'MOON EGG' OR 'ISHTAR'S EGG'.
EASTER EGGS, EASTER BUNNIES, LENT ETC., ARE ALL FROM BABYLON - THE TRUE ORIGIN OF CHRISTIANITY.

Easter was "painted' and "sold" as Christ's resurrection day (rebirth) and December 22 was called Christmas, even though it was previously known as the birth day of the SUN...not son. At December 22, a remarkable thing happens. Days of sunlight reached its shortest and then the start to get longer. A Birthday of the SUN. Sunday, which was holy for the worship of the SUN also became the Lord's Day instead of Saturday as mandated by Exodus 20 vs 8 – 10 (KJV): [8] Remember the sabbath day, to keep it holy. [9] Six days shalt thou labour, and do all thy work: [10] But the seventh day is the sabbath of the Lord thy God:

Indeed that was exactly what happened more than 5000 years before Christ, in Mesopotamia. Man tried to bribe nature and created a cult by deifying the Spring Equinox. At first she was called Inanna by the Sumerians, but the Assyro-Babylonian Ishtarte, the Northwest Semetic goddess Astarte, the Sidonians **Ashtoreth**, the Greek Aphrodite, Roman Venus or Athena, Egyptian Isis or Hathor, Etruscan Turan, the German (Eostre) and Anglo Saxons (Easter) are all offshoots.

Emperor Constantine and the JROCCC had to create a living savior that had all of these ancient attributes to push their brand of religion on the masses. Rome and Constantine combined the legends of these ancient god stories under the **Jesus of the cross label** to appeal to Roman Citizens who practices those ancient god story beliefs anyway. IT WAS A POWER GRAB to create a religion to CONTROL THE MASSES based upon pagan satanic blood sacrifice and their pagan satanic ideologies. They took original traditional pagan holidays and Christianized them with the pagan cross etc. The worship of the goddess Ishtarte etc. became Easter and so on.

CONCLUSION

Emperor Constantine used a pagan Jewish **VERSION** of the story of Jesus to control the masses. He added the historically Inaccurate Old Testament to combine Jewish ideologies into the Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) ideologies. He tried to create a UNIVERSAL

RELIGION to appease the beliefs of those living under Roman Rule.

Instead of promoting the loving spiritual being Jesus aka Yashua who will be back to save us soon, Rome gave us a pagan version of Jesus at the Council of Nicaea in 325 AD to operate the State of Rome under as Rome was failing. The STATE OF ROME REINVENTED ITSELF AS A RELIGION to operate behind. This is why in prophecy the JROCCC WILL BURN SOON FOR IT'S DEBAUCHERY.

due to Christian influence or Christian thought?" (*Life of Christ*, II, 485).

Even if we assume that Jesus and His apostles borrowed from the rabbis all the expressions that occur both in the New Testament and in the Talmud, it does not prove anything. The Gospel of Jesus remains an altogether new thing, and the spiritual life that He awakened is still diametrically opposed, in many respects, to the religious life that the Talmud fosters.

BERNHARD PICK.

NEWARK, N. J.

In the apocalyptic perspective of the New Testament, Satan becomes active on earth *in connection with the birth of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel.* who was secretly slipped into the 4 Gospels and then blended into the storyline of the REAL JESUS.

When you see pictures of a man the Jews call Jesus with dark hair and dark eyes he was **NOT JESUS YAHSUA**. He is a photo image of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel instead.

This is how the followers of Jesus described the **REAL JESUS**.

THE FALSE IDENTITY OF JESUS CAME DOWN TO A VOTE at the Council of Nicaea.

After that the original Christians and those who followed other religions who would not comply with Constantine's NEW UNIVERSAL RELIGON were HUNTED DOWN AND MURDERED.
